

## **Membership Structure**

### **Founder Members - As decided on 30 November 2003.**

Nepal and Bhutan, who have joined recently, was offered similar status to Founder Members. The respective Government Ministry focal points in these countries to be informed to nominate their Founder Members who would be incorporated in the Memorandum and Articles of Association of the Chamber.

### **Members**

Other important Chambers and relevant Trade Organisations in member countries could be enrolled as members. The request for enrolments will necessarily be proposed and channeled through the Founder Members of each country.

### **Associate Members**

Individual Companies registered in the respective countries and recommended by Founder Members are eligible for Associate membership. This is in accordance with the concensus expressed at the previous BIMST-EC inaugural meeting.
