

Membership Fees

It is proposed that the minimum annual payment from each country to be US\$ 5,000/- under the following break down.

Founder Members	- US\$ 2,000/-
Members	- US\$ 1,000/-
Associate Members	- US\$ 500/-

This would encourage Founder Members to canvas for Members and Associate Members to share costs.

Whilst the Secretariat would communicate directly with each of the Founder Members/ Members and Associate Members (all referred to as Members hereinafter), it is proposed that the BIMST-EC Secretariat make proportionate contribution each year to Founder Members depending on the strength of their country membership, towards meeting their country secretariat expenses.
