

The 5th Business Forum 26-27 October 2006, Bangkok

The 5th Business Forum was held on 26 October 2006 where private sectors representatives from the BIMSTEC countries meet to discuss periodically back-to-back with the Economic Forum. Each member countries presented their country papers. Later, related agencies from Thailand presented a showcase in numbers of cooperation in the Service Sectors e.g. education, medical and healthcare, and tourism. Follow by the Economic Forum on 27 October 2006, where representative groups of both the public and private sectors met to discuss matters pertaining to achieving the objectives of the BIMSTEC and make recommendations to be taken up at the Ministerial Meetings each year.
