

Regional Workshop and Study Visit on Biomass Gasification for Power Production under BIMSTEC Cooperation

13-14 May 2008

The Regional Workshop and Study Visit on Biomass Gasification for Power Production under BIMSTEC Cooperation was successfully held during 13-14 May 2008. It was organised by the Department of Alternative Energy Development and Efficiency (DEDE), Ministry of Energy of Thailand. The workshop was held at the Royal Princess Hotel, Bangkok, Thailand on the first day . The second day was the study visit to Three Stage Gasification System in Pathum Thani province and rice mill in Chai Nat province.
