Welcome to our 5<sup>th</sup> monthly BIMSTEC e-Newsletter of 2024!

May 2024 was a historic month for BIMSTEC as its Charter entered into force on 20<sup>th</sup> May, granting the BIMSTEC a legal status. The 3<sup>rd</sup> Meeting of the Eminent Persons' Group (EPG) was held during the month and I paid my introductory visit to Nepal.

It was an honour to meet with Hon'ble President, Prime Minister and relevant Ministers, Senior Officials of the Government of Nepal, seeking their guidance for deepening regional cooperation among the BIMSTEC member States and briefing them on the current state of cooperation under the BIMSTEC Framework. The EPG held its third Meeting in Dhaka, marking significant progress in its work.

I also had the opportunity to participate at the 4<sup>th</sup> Bay of Bengal Maritime Dialogue and Jakarta Futures Forum: Blue Horizon, Green Growth, where I shared the BIMSTEC's perspectives. Further, there were engagements with various partners both within and outside the region, including a visit to BIMSTEC Energy Centre in Bengaluru, India. These engagements underscored the tremendous promise that BIMSTEC holds for the region.

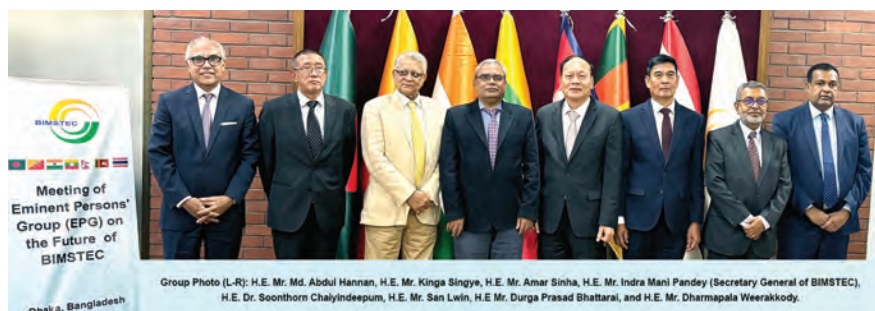

We will celebrate soon the BIMSTEC's Foundation Day. I am also looking forward to my introductory visits to Bhutan and Myanmar.

We value your continued indulgence and look forward to your valuable suggestions.

Happy Reading!

Secretary General
